

# Irving's Spirited Youth Award

The Irving Spirited Youth Award seeks to recognize youth for excellence in community service and character. Members of the City of Irving Youth Council felt that it was important to recognize the youth in our community that go the extra mile to make a difference. The Youth Council recognized Irving's first Spirited Youth Award recipient in 2002. Initially, this award was given out once a year during the annual teen talent show at the Irving Arts Center. Now, it is awarded on a quarterly basis, and each year the four recipients are invited to attend the Irving's Got Talent performance and the *Spirited Youth of the Year* recipient is announced on stage.

Nominations for this award are welcomed at any time throughout the year. If you know of an Irving youth that is a potential candidate for this award, please recognize them by filling out the nomination form below. An online form is also available on our website.
